Re: Reinstatement of Genesis Telecommunications Company, LLC
ORS Report
Docket Nos. 2000-350-C and 2010-337-C
Order No. 2011-969

Dear Mrs. Boyd:

On December 21, 2011, the Commission requested ORS to report on the results of its examination of documents submitted by Genesis Telecommunications Company, LLC ("Genesis") in accordance with the provisions of Order No. 2011-596. ORS has completed its examination of Genesis compliance with the Commission requirements for participation in the SC Universal Service Fund ("USF"), Gross Receipts assessment and Dual Party Relay Fund. ORS also conducted a Customer Relations Compliance Review ("CRCR").

According to the ORS examination results related to the USF, Gross Receipts and Dual Party Fund, Genesis is in compliance with the requirements.

According to the ORS CRCR, Genesis was not in compliance with Commission regulations related to termination of service (103-633) and late payment charges (103-622.2). ORS will provide a report of the deficiencies to Genesis in order to facilitate compliance and continue to monitor these areas.

Please contact me with any questions related to this report.

Sincerely,

Dawn M. Hippie
Director – Telecommunications, Transportation, Water/Wastewater
